Sir:

Your Petitioner, T. Daniel Christenbury, represents that he is patent counsel for JFE Steel Corporation, which is the owner of the entire interest in the above Application Serial No. 09/937,889 filed October 2, 2001 for HIGH TENSILE HOT-ROLLED STEEL SHEET HAVING EXCELLENT STRAIN AGING HARDENING PROPERTIES AND METHOD FOR PRODUCING THE SAME, as evidenced by an Assignment recorded at Reel 12630, Frame 0162, in the U.S. Patent and Trademark Office records, and the change of name document filed September 16, 2003 (copy enclosed). JFE Steel Corporation is also the owner of U.S. Applications Serial No. 10/341,166, No. 10/341,165 and No. 09/980,513 as evidenced by an Assignment recorded at Reel 12502, Frame 470, and corrected at Reel 13296, Frame 618, of the U.S. Patent and Trademark Office records, and the change of name document filed September 16, 2003, convenience copies of which are also attached. Your petitioner has reviewed the relevant

documentary evidence and certifies to the best of his knowledge and belief, that title is in JFE Steel Corporation.

Your Petitioner, on behalf of the patent owner, hereby disclaims the terminal part of any patent to be issued on said application Serial No. 09/937,889 which would extend beyond the expiration date of any patents to issue on said U.S. Applications Serial No. 10/341,166, No. 10/341,165 and No. 09/980,513 and hereby agrees that any patent so granted on the above-identified application shall be enforceable only during such period that the legal title to said application shall be the same as the legal title to U.S. Applications Serial No. 10/341,166, No. 10/341,165 and No. 09/980,513, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Your Petitioner does not disclaim any earlier than the expiration date presently shortened by this Terminal Disclaimer, even in the event that patents to issue on said U.S. Application Serial No. 10/341,166, No. 10/341,165 and No. 09/980,513 earlier expires for other reasons, such as failure to pay a maintenance fee, invalidity or unenforceability, or is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. §1.321(a), or has all claims canceled by a reexamination certificate, or is otherwise wholly or partially terminated prior to the expiration of its term. If any part of this paragraph should be held to render this Terminal Disclaimer ineffective, then that part shall be deemed to be of no effect.

Respectfully submitted,

JFE STEEL CORPORATION
